

AGENDA

5th Annual Arizona Myeloma Network Living with Myeloma Conference

Marriott Scottsdale at McDowell Mountain
Scottsdale, Arizona

March 26, 2011

OBJECTIVES:

- To increase awareness and understanding about multiple myeloma for patients, families, and health care providers.
- To present up to date research and cancer information to help patients make better treatment choices.
- To bring together research, treatment, and information resources that will lead to earlier diagnosis, better treatment, and a better quality of life for myeloma patients.
- To provide healthcare and cancer resources with an opportunity to learn more about myeloma and the needs of patients and families.
