

Race for Hope for All Cancers
Crossing the finish line where we will conquer all Cancers

5K Run/Walk & 1 Mile Fun Run/Walk

Sunday, May 1, 2011

Westgate City Center

Glendale, AZ

Multiple Myeloma is a complex and often misdiagnosed bone marrow cancer that afflicts more than 1600 new people in the U.S. every month. There is no cure, but current research is greatly extending patients' expectancy.

The mission of the Arizona Myeloma Network, AzMN, is to promote education, awareness and advocacy for the improved treatment and quality of life for Myeloma patients, their families, and caregivers.

The ***Race for Hope for All Cancers*** is designed to bring communities and resources together to advocate, educate and raise awareness for all cancers and how we can join together and cross ***The Finish Line*** with the cures.

The ***Race for Hope for All Cancers*** will have over **400** runners and walkers and will be marketed directly to over **15,000** Arizona residents.
