\*5K - in 10 year age groups

The Arizona Myeloma Network is a 501(c)(3) charity and provides free cancer awareness, education and advocacy programs for myeloma patients and their families and reaches out to the underserved.

Multiple myeloma is a complex, often misdiagnosed bone marrow cancer that affects more than 1600 new people in the United States every month. There is no cure but current research is greatly extending the lives of patients.
